Our Core Values

Our school is a ministry of Culpeper United Methodist Church and has a religious exempt license. **All children are welcome in our school regardless of religious affiliation.** Our main goal is to showcase the love of Jesus through providing a caring, welcoming, and positive school experience. Our small school allows us to get to know each student and family on a personal level. We lead with love and prayer to prepare children for the elementary years and beyond.

Overview

Culpeper United Methodist Church Preschool offers developmentally appropriate curriculum and fosters creative exploration and play.
